CAT'S PAW 1968

SULPHUR SPRINGS HIGH SCHOOL
SULPHUR SPRINGS, TEXAS

FOREWORD

With the fading of summer into fall we witness the abandoning of summer activities to once again enter the challenging doors of learning. The bewildered and somewhat frightened freshmen, the eager sophomores, the confident juniors, and the proud but somewhat sad faces of the seniors flood the halls to uphold and respect the loyalty of our alma mater, Sulphur Springs High School.

The FACES OF SULPHUR SPRINGS HIGH SCHOOL are many and varied, but they reflect you, the student body. Yesterday a happy face, today saddened, tomorrow a tearful but eager face meets the world with meek anticipations.

The 1968 Cat's Paw attempts to capture and present to you the many FACES OF SSHS, the wonderful memories, and the unforgettable experiences.

We, the Cat's Paw Staff of 1968, hope you, the student body, will enjoy this yearbook as much as we have enjoyed publishing it. We now present to you the 1968 Cat's Paw.

ALMA MATER

Dear Alma Mater
We will be true,
We will remember
The gold and the
blue;
Where e'er we are
As years go by,
We'll always cherish

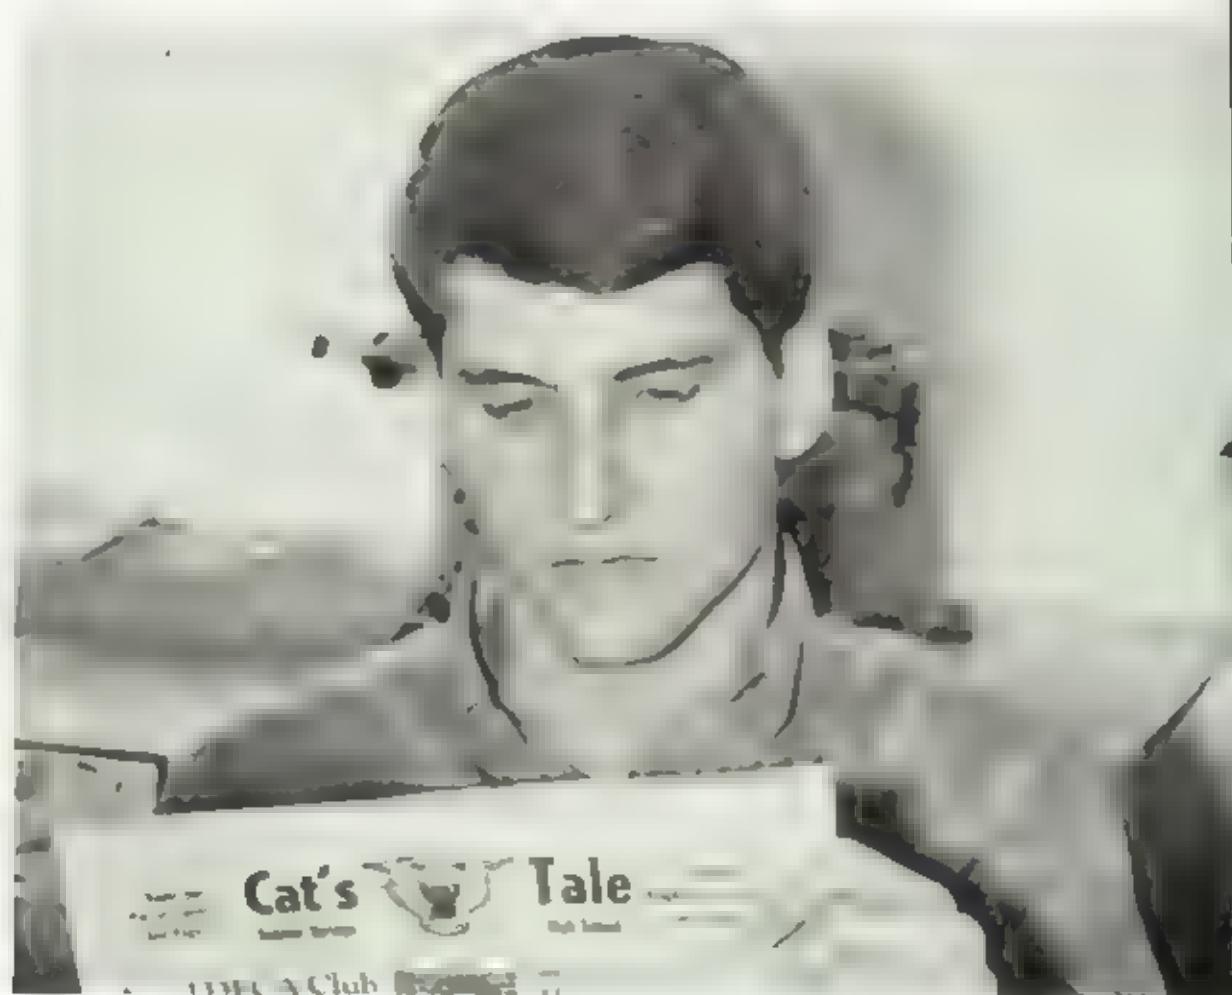

Our
Sulphur
High!

Endurance

Faces Of

Diligence

As we continue to present the many faces of SSHS, we hope the Cat's Paw will always show reflections of the SENIORS looking into the past and future with phrases such as "Remember how we used to . . . and Wonder what we'll be doing . . ."; the JUNIORS realizing that their last year is near; the SOPHOMORES feeling big because they aren't freshmen anymore; and the FRESHMEN who are reluctantly looking forward to the next three years.

Our future success
depends upon our
willingness to
learn the way of
success from those
able to teach us.

Senior Class Officers

Secretary, Phyllis Stewart; Vice-President, Jaime McKinney; President, David DuPriest

The Seniors are those that stand out in a crowd—supposedly the happiest but really the saddest. They will never forget those warm memories of that final year when they reached the goal set before them twelve years ago. Yes, it is a feeling of tremendous pride and achievement but the FACE OF A SENIOR is often times stained with tears.

The Juniors are just beginning to realize that they, too, will experience that last pep rally, and the thrill and excitement of receiving their senior rings. They are filled with dignity and pride knowing they have passed that dreaded term theme and made it through American history with all those hours of lectures. These are only a few of the many expressions seen on the FACE OF A JUNIOR.

The Quill and Scroll is a national honorary society for high school journalists. Through this club, students learn good journalism practices. Each member must rank in the upper third of his class, must be a Junior or Senior, and must have done outstanding work in some field of journalism. They also must be a member of the Cat's Tale or the Cat's Paw staff and be recommended for membership by Mrs. Williamson or Mrs. Lewis. Through the Quill and Scroll, we raise the standard of English and literary efforts in the school.

CAT'S TALE Staff Report

JO BETH HUFFSTETLER
RUTH KIRKPATRICK

The CAT'S TALE expresses the accomplishments, the goals, the ideas, and the good times of students. Publishing a bi-monthly newspaper is the goal of the CAT'S TALE staff. The staff, under the direction of Mrs. Blanche Lewis, is composed of students who gather news, write copy, take pictures, proofread copy, and type. The CAT'S TALE not only gives to the students a school newspaper, but it also teaches those working on the paper the fundamentals of good journalism.

Finally those memory makers get down to business. Although they joke around in class, gripe about pictures, and decapitate vocally the picture developers, that bunch of staffers eventually gets the annual off to the publishers. We open this yearbook ten years from now and remember all those hectic days we survived. The rushed deadlines, the many long hours after school, the staff and their sponsor, will always be remembered as one of the more exciting phases of our high school career.

The 1967-68 Wildcat

Marching Band

"and now the Wildcat marching band under the direction of Mr. Rex Wilemon"

These familiar words begin each half-time performance as the band takes the field. A long summer of diligent practice has brought the desired results—imaginative drills executed with precision. As the school year continues, the enthusiasm at pep rallies is bolstered by the addition of the band. Parades and other community functions give the public an opportunity to see another facet of musical accomplishment. The success and critical acclaim accorded to band members and to their director, Mr. Rex Wilemon, are well deserved.

On behalf of the "Cats," I would like to express our sincere appreciation to the Cheerleaders, students, parents, and fans who were so loyal in their support of the team this season.

I am very proud of the Wildcats of 1967-68. They provided much excitement, surprises, and some disappointments for all concerned. It was a most interesting and enjoyable season, and I am truly grateful that I was a part of it all.

Best wishes to the Seniors

Track requires dedication if one is to succeed. As in all sports you only receive equal to the amount given. Workouts are held throughout the winter, and meets may be run in all kinds of weather. With few exceptions our track squad works under these handicaps and works willingly.

We just need more of these willing, dedicated athletes in our school, whatever the sport.

To begin is to create; to end is to close . . . to close our mind to the work which has been before us, to put it down and gaze upon it with wonder and hope, with dismay, yet with pride, as our own intellect, emotions, and imaginations are laid before us, clothed in hours of work and worry — delight and happiness.

We, the CAT'S PAW staff, have delved deeply into this year, searching for factors which could record time, allowing us to capture moments of the tomorrows, yesterdays, and todays of this bygone year. We have taken that block of stone that we began with, the year 1967-68, and have chiseled our finished statue, this edition of the CAT'S PAW. We hope that it may be as infinitely lasting and enduring as the cycle of life itself.

Yes, this creation is now yours, to do with as you desire. Yours to criticize or enjoy — yours to dream about, regret in, or to contemplate this past year, which will soon be a small chapter lost in the large volume of your life, with only these few pages to preserve transcribed and paraphrased remembrances of
